7 Strategic	Lead Architect/ Product Lead/ Programme Delivery Lead	1,900

Product Price

Production software pricing shall be determined following completion of a mandatory fixed price Proof of Concept and technical estimation engagement, delivered over a period of six to eight weeks at a fixed fee of £100,000 exc. VAT

This engagement will define functional scope, technical architecture and deployment parameters required to establish a definitive commercial pricing.

¹ We reserve the right to review and update the prices at any time.
