

Thales Terms and Conditions

The purpose of these terms and conditions (hereinafter the 'T&C') is to define the terms and conditions of access and use of the website www.thalesgroup.com (hereinafter the 'Website').

The Website has a global reach. It presents the various activities of the Thales Group, its products and services, and news about its various entities.

By using the Website, you agree to these T&C, which you acknowledge having read, understood, and accepted without reserve by the mere fact of accessing the Website. If you do not wish to be bound by these T&C, you must immediately leave the Website and cease using it.

Legal notices

The Website is published by Thales S.A, a French société anonyme with a capital of 617 825 739 € and whose registered office is located at 4 rue de la Verrerie, 92190, Meudon (France) registered under number 552 059 024 in the Nanterre Trade and Companies Register (France), which can be contacted on +33 (0) 1 57 77 80 00 (hereinafter 'Thales').

The publication director is Ms. Peggy Nahmany, in her capacity as EVP Communication Group.

The architecture and design of the Website were developed by SQLI, whose registered office is located at 2-10 rue Thierry Le Luron, 92300 Levallois-Perret (France).

The Website is permanently hosted by Acquia Inc., whose registered office is located at 53 States Street, 10th Floor, Boston, MA 02109, USA, in the European Union.

Access and Availability of the Website

The Website is accessible via the Internet at the following address: <https://www.thalesgroup.com>.

The Website is accessible continuously, except in cases of force majeure or the occurrence of an event beyond the control of Thales, and subject to any potential breakdowns and maintenance operations necessary for the proper functioning of the Website.

Terms of Use

Unless otherwise indicated, the Website is made available by Thales or an entity of the Thales Group.

You are required to comply with all applicable laws and regulations governing access to and use of this Website.

Thales grants you, in your capacity as a User, a personal, revocable, non-exclusive, non-assignable, non-transferable, and royalty-free right to use the Website. This license is granted solely for your own needs and excludes any commercial or profit-making use of all or any part of the Website and its content.

You, as User, acquire no right over the Website or its content other than those expressly granted herein.

Copyright, Trademarks and Other Intellectual Property Rights

This Website and its content (including but not limited to texts, graphics, videos, photographs, sounds, icons, downloadable documents, databases, know-how in general, and all other elements comprising the Website) are protected by copyright and/or other intellectual property rights and are the exclusive property of Thales or its third-party licensors. Thales reserves all rights not expressly granted herein.

Any full or partial use, copying, representation or reproduction, publication, downloading, display, transmission or distribution of this Website by any means whatsoever, without the express authorization of Thales, is strictly prohibited and shall be deemed a violation of the applicable provisions of French Intellectual Property Code (Article L.122-4), unless otherwise expressly permitted by law.

Reproduction and use of elements made available for download by Thales on this Website (such as, in particular, white papers, product data sheets, etc.) are permitted under the following strict conditions:

- Such reproduction and use are strictly for informational, non-commercial purposes within your organization to permit a better understanding of Thales; and,
- All copyright and origin notices must appear on all copies; and,
- The elements and information must not be altered, in whole or in part, in any manner whatsoever; and,
- Any other right of reproduction and/or use is strictly prohibited.

“Thales”, the Thales logo, and certain product or service names appearing on the Website may be protected as registered trademarks or trade names and are the property of Thales or of Thales Group entities or third parties, whether or not such protection is expressly stated. You may not use the aforementioned trademarks or logos in any press release, advertising, or promotional or marketing material, whether written, oral, electronic, visual, or otherwise, except with the express, prior written consent of Thales or its authorized representative.

Any reference to a third party's trademark visible on this Website is for identification purposes only and does not imply that such third party has endorsed this Website or its content. These T&C do not grant you any right to use third-party trademarks.

Warranties and Limitation of Liability

This Website contains only general information. The Website and its content shall not be used as a basis for any transaction. In particular, regarding financial information that may be provided on this Website, the only binding reference is the French-language document filed with the Autorité des Marchés Financiers (AMF), available from Thales's investor relations department.

The Website and the information published thereon are provided "as is" without warranty of any kind, express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, non-infringement of third-party rights, compatibility, completeness, currency or accuracy.

Thales does not guarantee uninterrupted access to the Website, the security of the Website, or freedom from errors, viruses, or malicious programs (including those present in the Website elements or in the information incorporated therein).

Access to and use of the Website and any information contained therein is your sole responsibility as a user. Thales disclaims any and all liability for any damages of any kind, including, without limitation, direct or indirect, intangible damages, for any loss regardless of its cause, nature or consequences, including, but not limited to, any loss of profits, loss of programs, or any other data from your information management system or any other system, that may result from accessing the Website or using any or

all elements or information it contains.

Links to Third-Party Sites

This Website may contain links to other internet sites, resources, or tools. These links are provided solely for your convenience, and the inclusion of these links does not imply any control over the content of such linked sites, nor any approval or warranty regarding their content. Access to such sites is at your sole risk. Please note that once you leave the Website, Thales has no control over any other site and such site is not subject to Thales's personal data protection notice. Consequently, Thales cannot be held responsible for the protection or privacy of any information you may provide while visiting such other sites. You are therefore encouraged to review the privacy policy applicable to any other website.

Transmission of Information by Users

Any information or requests for information that you may send to Thales via the Website or via any email address provided on the Website will be considered as non-confidential.

You may also send your information or requests to Thales by postal mail at the address of Thales's registered office, to the attention of the relevant department as identified in the relevant section of this Website.

Modifications

Thales reserves the right to modify, at any time and without prior notice, the elements published on this Website or any information contained therein.

Updates and Duration of Application

Thales reserves the right to amend and update these T&C at any time and without prior notification to Users.

Where applicable, amendments and updates shall be binding on Users as soon as they are published on the Website, and it is the User's responsibility to consult the current T&C at each visit to the Website.

Governing Law

This Website and the T&C are governed by French law. Any dispute or litigation arising therefrom shall be exclusively settled by the competent French courts.

The application of any rules on conflict of laws that would restrict the full application of French law is hereby excluded. As a consequence, French law applies to all individuals browsing the Website and making use of any of its content.
