ABOUT NOC365

NOC365 was formed by a group of senior engineers and consultants with the belief that a small technology-focused business could succeed by truly engaging with customers, delivering business aligned solutions and building a business that would draw some of the best technical capability in the country without the constraints of a traditional sales led organisation.

At NOC365, we have a great team of people working at our office based in Blackburn. Everyone at NOC365 is committed to delivering you excellent customer service, and we think of ourselves as a seamless extension to your team. Choosing to work with NOC365, is choosing to work with a team of professionals who are experts in their field and will deliver solutions that meet your business requirements.
