Microsoft Capability (Complete)

Depending on your current Microsoft Licensing, we can utilise Microsoft's EDR and SIEM capabilities via Defender for Endpoint & Sentinel, to provide our RealProtect Complete service, utilising your current Microsoft investment.

In this model, tooling and licencing is to be provided by the customer, with Aspire providing management, support and 24/7/365 detection & response via our Security Operations Centre. The BYO licensing prices in the table above apply in this model.

MDR Licensing Requirements

The following table outlines the required licensing for RealProtect.

RealProtect Package	Licensing
MDR	Requires: CrowdStrike Or Business Premium / Defender for Endpoint P2 + Defender for Server P2

Complete	Requires: CrowdStrike Or Defender for Business/Endpoint P2 + Defender for Office P1 + Defender for Server P2
----------	---

Optional Extras – RealProtect Consultancy Services

Service	Price
Security Assessment	£2000 / day
Incident Response	£250 / hour
Security Consultancy (incl. Pen Testing)	£2000 / day

Educational Discount
