- **User Access:** Unlimited concurrent user licences.
- **Transparency:** No hidden charges.

Note on Storage: Pricing assumes that images and videos are stored within the Unity5 solution. If Unity5 is not required to provide storage, please contact us for a reduced rate.

2. Annual PCN Volume Pricing

Our pricing scales based on the volume of annual Penalty Charge Notices (PCNs).

Volume Tier	Monthly Licence Fee
Entry Level (up to 15,000 PCNs per year)	£3,000 per month
Up to 40,000 PCNs per year	£6,000 per month
Up to 75,000 PCNs per year	£7,750 per month
Beyond 75,000 PCNs	<i>Price provided upon application</i>

3. Implementation and Training

Service Item	Fee
System configuration, implementation, and training	£850 per day
Additional Development	£1,000 per day

4. Ecom6 Payment Processing & Hybrid Mail

- **Payment Processing:** Full platform access.
- **Initial Configuration:** £500
- **Gateway Charges:** £0.20 per transaction
- **Hybrid Mail:** Pricing provided upon application.

SaaS Commitment:

As a true SaaS platform, you will benefit from always having the newest version of our system without manual intervention.
