

MRI ProLease Central

A complete end-to-end solution for lease administration and lease accounting.

A true Cloud offering to help organisations manage and track real estate and equipment leases, comply with IFRS 16 lease accounting requirements and implement effective space management.

Our solutions include:

- Unrestricted access to support for trained users within support hours for the duration of the contract.
- Regular software updates for the duration of the contract.
- Unlimited access to client support portal.
- MRI standard hosting service.
