

MRI OnLocation Footfall Analytics

MRI OnLocation Footfall Analytics has the most comprehensive footfall data set in the UK, recording over 200M footfall counts per week across 2,790 counting points in 660+ UK destinations.

Relied upon by the national media and as part of the Government's High Street Task Force and supplying data to the ONS, you can rely on us as your partner of choice.

Our solutions include:

- Unrestricted access to support for trained users within support hours for the duration of the contract.
- Regular software updates for the duration of the contract.
- Unlimited access to client support portal.
- MRI standard hosting service.
