G-CLOUD 15 PRICING DOCUMENT FOR MASTERGOV

DEF SaaS: Travel Plans

Executive Summary

DEF Software Limited offer a full end-to-end digital solution for all the business areas listed in the table below.

DEF's MasterGov suite of modules is suitable for any device with an HTML5 complaint browser.

The model for the solution involves acquiring the base environment and adding any of the modules, cross module features from the list below in addition to concurrent user licenses.

DEF MasterGov is a subscription-based service which is priced as follows:

- The system operates a simple concurrent user license model for main system access where a standard license can cover administration (subject to permissions). External consultee or community access to the public facing provision does not require a license.
- PDF Viewer licenses are per named user. This covers the cost of the PDF Tron licenses.
- Jotter Mobile working licenses are per device.
- The minimum contract term is 24 months.
- Concurrent user, Jotter and PDF Viewer license numbers can be increased at any time during the term of the agreement.
- Additional user fees will be invoiced in advance.
- Fees are invoiced annually in advance.
- The pricing model is split between new customers and existing customers renewing the service.

All prices quoted in this document are exclusive of VAT.
