Cybanetix Security Assessment

A comprehensive cybersecurity assessment that evaluates maturity across 20 essential security domains. Delivered by Cybanetix security and compliance experts, the CSA provides actionable recommendations to enhance security posture, align with industry standards, and achieve compliance goals.

CSA engagements are defined and priced on a per-application basis, tailored to each customer's unique requirements, organisational size, and complexity. CSA's are delivered at a fixed price, covering evidence gathering, analysis, scoring, findings and recommendations, and report preparation. The standard base price for a CSA is shown below.

Rate Card

Product	Description	Unit Price
CYBA-CSA-1	Standard CSA engagement (Up to 5,000 employees)	£29,995
CYBA-CSA-2	Custom scope CSA engagement	POA
