

LastMile Document Verification

Pricing Document for G-Cloud 15

All pricing is exclusive of VAT, which will be charged at the prevailing rate of 20%. Prices apply for the duration of the framework unless otherwise agreed at Call-Off.

Service Overview

SureCert's AI-powered **LastMile** edge-case document verification service is priced based on the nature and scale of verification activity required. The service supports:

- **Assessment, categorisation, verification and automation of new document types** that have not previously been automated; and/or
- **Automation and verification of document types already supported** within the SureCert platform.

This service is designed to address complex, non-standard or low-quality documents where traditional automated checks are insufficient.

What's Included

- Legacy document support (e.g. birth certificates, utility bills, bank statements)
 - Fraud and tampering detection
 - Human-in-the-loop escalation
 - Secure API integration
-

Commercial in Confidence

Prices exclusive of VAT. Subject to confirmation at Call-Off.

Pricing

Feature	Additional Information	Cost
Initial LastMile document validation and automation (per document type)	Buyers must provide a minimum of five representative non-core documents to enable automation (e.g. birth certificates, utility bills, bank statements). This includes assessment, classification, validation logic design and automation.	£50,000 (one-off per document type)
Per-document verification – one-off checks	Applicable for volumes up to 500,000 documents per annum.	£8 per document
Bulk document verification	Minimum volume of 500,001 documents per annum.	£5 per document (minimum annual commitment applies)
IT, identity verification and automation consultancy support	Flexible consultancy support to scope, design and deploy automated document and identity verification solutions at scale.	£975 per day

Notes

- Final pricing is confirmed at call-off stage based on document types, volumes and delivery requirements.
- Consultancy support is optional and provided only where required by the buyer.
