

Pitchbooking Ltd Pricing Overview

Pitchbooking Ltd charge a licensing fee for their booking and payments software of £25 per bookable facility per month. This license fee is typically paid on an annual basis, upfront for the provision of the aforementioned software. We are open to ongoing contracts of varying lengths with local government clients.

We offer 1-5 year initial contracts for the provision of the software, with the option to extend on a yearly rolling basis. The above annual licensing fee is fully inclusive of all additional services outlined, including onboarding and our full range of ongoing support.
