

Pitchbooking Ltd Pricing Overview

Pitchbooking Ltd charges a transaction fee for their booking and payments software of 5% of each automated online transaction. This fee is paid at the point of transaction, upfront for the provision of the aforementioned software. We are open to ongoing contracts of varying lengths with local government clients. No fee is charged for free to attend events.

We offer 1-5 year initial contracts for the provision of the software, with the option to extend on a yearly rolling basis. The above transaction fee is fully inclusive of all additional services outlined, including onboarding and our full range of ongoing support.
