Anmut Pricing for Data Asset Maturity Assessments

SOFTWARE SUBSCRIPTION FEES

The **annual, multi-use subscription fee** for the Data Asset Maturity Assessment software is £45,000 plus VAT per organisation.

The **two-year, multi-use subscription fee** is £80,000 plus VAT.

The subscription fees include:

- Software onboarding by a dedicated customer success team member;
- Up to 3,000 user seats;
- The ability to run multiple data asset maturity assessments for your organisation during the subscription period;
- Intuitive visualisations and results tables for easy analysis;
- Automated, prioritised improvement recommendations for each data asset;
- Comprehensive online user support documentation;
- Webchat user support; and
- Automated user management and assessment progress tracking.

OPTIONAL ADDITIONAL SUPPORT SERVICES

Organisations may select the following optional services when purchasing the software:

- **Stakeholder communications and assessment management package** (£5,000 plus VAT): Our consultants will draft and manage your internal stakeholder communications prior to inviting users to sign up to the software, identify relevant employees to onboard onto the software, collate user details and invite users, review response rates and target specific user groups to boost responses as necessary.
- **Custom analysis and report package** (£19,000 plus VAT): Detailed analysis by our specialist consultants that provides a comprehensive view of the assessment results and recommendations.
- **Other support services:** If customers would like us to provide additional customised services, we can provide these based on the rates shown on the following pages.
