

Loop Pricing 2026

Loop – Pricing

The enclosed pricing schedule includes full Loop pricing for all customers.

Our pricing is provided in four areas –

- **Annual licence costs** – subscription and helpdesk support.
- **Implementation and on-boarding** – getting you set-up.
- **Training** – Full system training on how to use the full suite of features.
- **Additional services** – Consultancy.

If you have any questions, please contact – Jonathan Hayes – Jonny@loop.org.uk.

Loop – SaaS License costs

User Subscriptions available.

Individual

1 User

£3,900 per year

SME

3 Users

£8,400 per year

Enterprise

Unlimited Users

£14,400 per year

Users are defined by their role within the project and are identified as follows:

- We have a hierarchy module where users can be added at every level with user permissions set as required.

Available discounts

- 25% discount for charities.

Assumptions

- A 'license' is an ongoing/continuous SaaS subscription and includes perpetual updates and help desk support.
- All agreements are for a minimum of 12 (Twelve) months.
- Where applicable, mileage is charged at Loop defined rates; day rates exclude reasonable travel and subsistence charges which are payable by the client.
- All prices exclude VAT and are subject to Loop standard terms & conditions.

Loop – Implementation and on-boarding

Project Implementation and onboarding

One off cost –

£495

Assumptions

- Customers nominate a single point of contact (SPOC) for implementation.
- An onboarding questionnaire will be issued to you for completion.
- Implementation is a remote service and uses Loop on-boarding on/off-line procedures.
- Where applicable, mileage is charged at Loop defined rates; day rates exclude reasonable travel and subsistence charges which are payable by the client.
- All prices exclude VAT, and are subject to Loop standard terms and conditions.

Loop– Training

Customer training session for up to 10 (Ten) delegates –

£995

This will be web-based customer training.

Training session can be used to train individual users or be used for 'Train the Trainer' sessions.

Assumptions

- Customers to nominate single point of contact (SPOC) for training co-ordination.
- Customer provided training facilities will require internet access and be fit for purpose.
- Where applicable, mileage is charged at Loop defined rates/ day rates exclude reasonable travel and subsistence charges which are payable by the client.
- All prices exclude VAT and are subject to Loop standard terms and conditions.
