2 Pricing overview

Revo SM Group Ltd provides a fully managed Integration & Automation service on a subscription basis, with hosting, support, maintenance, and professional services included within a single monthly fee.

All prices are exclusive of VAT.

A Fair Usage Policy applies for integration volumes and recipe execution.

3 Pricing

Contract Term	Unit	Price (per month)	Notes
3-year contract	Per month	£600	Best value; full platform access; professional services included
2-year contract	Per month	£750	Includes design, build, hosting and support
1-year contract	Per month	£900	Flexible term; all services included

Professional services to design, build, test, deploy and maintain integrations are included within the monthly subscription fee.

4 What's included

The monthly subscription includes:

- Integration discovery and requirements analysis
- Integration design, technical specification & solution architecture
- Workato recipe development and automation build
- Secure credential storage and access management
- Proactive monitoring & alerting
- Break-fix support and troubleshooting
- Ongoing optimisation of integrations and small changes
- Version control, change management and updates
- Documentation of integrations, data flows and recipes
- Continuous improvement recommendations
- Remote delivery by default

All work is delivered by Revo's integration consultants without additional "day rate" charges.

Revo SM Group Ltd does not differentiate pricing based on role or seniority. Buyers will receive appropriately skilled and experienced consultants for the agreed scope of work.

5 What's not included

The following are not included unless explicitly agreed:

-  Third-party licences or SaaS subscriptions outside Workato
-  Custom development outside the agreed fair-usage limits
-  Out-of-hours delivery (unless contracted separately)
-  On-site attendance (if requested, will be charged at cost)
-  Non-standard or bespoke infrastructure requirements

6 Travel and expenses

Consultancy services are delivered **remotely by default**.

Where on-site attendance is required, travel and subsistence will be charged **at cost**, subject to prior approval by the buyer.

7 Ordering

Services are ordered via a **G-Cloud call-off contract**, supported by a Statement of Work or written agreement that defines:

-  Scope and objectives
-  Duration and estimated effort
-  Delivery approach

8 Invoicing and payment

Invoicing is typically **monthly**

Payment terms are **30 days from invoice date**, but can be paid by Direct Debit.

9 Price validity

Prices are fixed for the duration of **G-Cloud 15**.

Any changes to scope or duration must be agreed in writing and may impact overall cost.

10 Assumptions

-  Buyer will provide timely access to systems and APIs
-  Credentials and third-party system permissions are provided securely
-  Dependencies, data quality, and stakeholder availability are managed by the buyer
-  All services are delivered remotely unless otherwise agreed
