

Hexiosec ASM Packages & Pricing

1. Year-on-year Pricing

Pricing shown in the sections below is 2026 pricing. Maximum future year pricing will be:

- 2027: 2026 pricing + 5%
- 2028: 2026 pricing + 10%
- 2029: 2026 pricing + 15%
- 2030: 2026 pricing + 20%

2. Scan Types

There are three types of scans in Hexiosec ASM:

- Own asset scanning (typically run daily)
- Ad hoc scanning (one-off scans – with on-demand rescanning if available)
- Third-party scanning (scans run weekly by Hexiosec for monitoring your supply chain)

Scanning is limited according to the sum of the primary and secondary domains and IPs that Hexiosec ASM finds.

3. Own asset scanning

Own asset scanning is for an Enterprise customer to scan its own assets. Scans run **daily**. Domain and IP limits for own asset scans are applied as the sum across all scans of this type.

Number of Domains and IPs discovered by Hexiosec ASM	Annual price GBP
Up to 1,000	£10,800
Up to 2,000	£14,400
