

# Cloud Engineering and Support Services

## Charging method

This service is priced as a Day Rate with different rates of charge based on the expertise level required. All prices exclude VAT.

On Site services are subject to a Surcharge of £175 Per Day or £235 per day in London to cover expenses. Alternatively, arrangements can be made outside of the Framework if this charge is not suitable to either the buyer or the seller.

An additional 50% charge will be added for “Out of Hours” callouts. The minimum order quantity is 1 day.

The price charges are based on the Financial Year in which the order is placed.
