

G-Cloud 15 Service Definition

About Us

An Independent Technology Consultancy

Award-winning, carbon-negative, SME consultancy delivering top-tier digital transformation across private and public sectors, leveraging our independence to meet diverse client needs.

Technology Specialists

A passionate team with a profound understanding of technology, delivering user-centred solutions to generate lasting business impact.

From Strategy to Delivery

We guide digital transformation projects from inception to live, ensuring comprehensive support and impactful results.

Alteryx Success Bundles & Pro Services

Leverage the vast experience of the Direct Alteryx Professional Services team to make the most of your investment, speeding deployment and enhancing your competitive advantage.

Alteryx experts can help you solve your toughest business problems with the Alteryx platform. Whether you are in marketing, finance, operations, real estate, sales, or another department in a wide array of vertical markets, the Alteryx Professional Services team can work with your organisation to help you use data as a competitive advantage.

Alteryx Professional Services can assist in your implementation in partnership with Bulien LLP to:

- Jumpstart your new Alteryx deployment and get your data analysts up to speed quickly
- Accelerate your ability to tap into the full potential of the Alteryx Platform
- Learn methodologies, best practices, tips, and techniques from experienced Alteryx users
- Expand your existing deployment into new applications across your organisation
- Dig deeper into sophisticated analytic capabilities to gain greater insights

Alteryx Success Bundles & Pro Services

Alteryx Direct Professional Services offers two consulting engagements to accelerate the productivity of your team and get you up and running quickly.

Alteryx Enablement Day: These on-site or remote sessions can be used at your discretion to help your team get up to speed with Alteryx or receive hands-on collaborative help solving a specific business problem.

Alteryx Server Assistance: Our team will help you efficiently and effectively deploy Alteryx Server. This service is especially useful when deploying Alteryx Server in complex environments.

Alteryx One Cloud Assistance: Get to grips with the cloud services on offer and how these integrate with your existing data eco system, including trust compliance for data protection and infosec requirements.
