Support services pricing

Open
Systems
Lab

–
2026

Cost

Support services are priced per person per day. Wherever possible we will agree a scope for your project and agree a number of days in advance.

One-time support services

Services provided in a specific, short period of time. Can be agreed in advance or invoiced based on days worked.

Designers &
content designers

£350-700 per day
+VAT

Senior strategic
designers and
software engineers

£600-1100 per day
+VAT

Maintaining flows

Services provided continuously or over a long period of time. We will agree in advance the number of days this will require.
