

Get full access to our automated compliance platform.

Automated compliance and Squirrel™ 2.0 will help you understand what you need to do and when you need to do to achieve compliance, and even more importantly, stay compliant.

The Smart Compliance Platform, That Innovates As Fast As You Do.

We work with amazing healthtech innovators everyday, and we know that DTAC can seem complex and overwhelming. That's why we've put our 100+ years of combined expertise into Squirrel™ 2.0 - a friendly, trained AI that will seamlessly guide through the entire DTAC process and beyond.
