

Pricing Document

G-Cloud 15 – Lot 2b

Atlantic Data – NHS DBS Services

Option A: Full Buyer-Procured Service

1. Pricing Overview

This pricing applies to the Atlantic Data – NHS DBS Services offered under Lot 2b (Software as a Service) of the G-Cloud 15 Framework.

Under this option, the Buyer procures a full end-to-end DBS Umbrella Body service for NHS organisations, including access to the Supplier's SaaS platform and associated managed services, in accordance with the published service description.

2. Pricing Model

The service is offered using a catalogue pricing model with a single unit price.

Pricing is provided on a per-application basis and is all-inclusive for Supplier-provided services within the scope of the buyer-procured NHS Umbrella Body service. The Buyer is responsible for Supplier charges under the Call-Off Contract.

3. Framework Price

Catalogue Unit Price:

£15.00 per DBS application

This represents the maximum Framework Price for the Supplier-provided service elements.

4. What the Price Includes

The Framework Price includes:

- Access to the cloud-hosted SaaS platform supporting DBS application initiation, tracking, reporting, and audit oversight for NHS organisations
- End-to-end managed DBS Umbrella Body services, where Atlantic Data acts as the DBS Registered Body
- Application validation and quality assurance prior to submission to DBS
- Electronic submission of DBS applications via approved DBS channels
- Management of DBS queries, exceptions, and clarifications
- Secure handling of DBS results and safeguarding reports
- Onboarding and configuration for NHS organisations
- Ongoing service management and support

- Maintenance, updates, and enhancements to the SaaS platform
- Security, data protection, and compliance controls
- Reporting, audit, and management information

5. What the Price Does Not Include

- Statutory Disclosure and Barring Service (DBS) fees
- Optional services offered under separate G-Cloud listings
- Bespoke development or non-standard services
- Services outside the scope of Lot 2b

6. Statutory DBS Fees (Pass-Through)

Disclosure and Barring Service (DBS) statutory fees are not included in the Framework Price.

Where applicable, DBS fees are charged at the rates set by the Disclosure and Barring Service and are treated as statutory pass-through costs. These fees are payable in addition to the Framework Price and are invoiced at cost, without mark-up or discount.

DBS fees may be zero-rated in certain circumstances (for example, eligible volunteer applications) and are subject to change by the Disclosure and Barring Service. Any such changes apply automatically and are outside the Supplier's control.

7. Framework Pricing Statement

Pricing is provided as a maximum Framework Price, in line with the G-Cloud Framework. Buyers may agree lower prices at call-off where permitted by the Framework.

8. VAT

All prices are stated exclusive of VAT. VAT will be charged at the prevailing rate where applicable.

9. Call-Off and Invoicing

Charges applicable to a Call-Off Contract, including any agreed lower prices, are confirmed in the Call-Off Order Form. The G-Cloud Framework Agreement and Call-Off Contract take precedence in the event of any inconsistency.
