G-Cloud 15 – Lot 2b

Atlantic Data – Right to Work Services

Option A: Buyer-Procured SaaS Service

1. Pricing Overview

This pricing applies to the Atlantic Data – Right to Work Services offered under Lot 2b (Software as a Service) of the G-Cloud 15 Framework.

The service provides a standalone, buyer-procured Right to Work compliance and assurance service, which may be used independently or alongside other identity or safeguarding services. Buyers procure access to the Supplier's SaaS platform and associated Right to Work checking capability as described in the service listing.

2. Pricing Model

The service is offered using a catalogue pricing model with a single unit price.

Pricing is provided on a per-check basis and is all-inclusive for Supplier-provided services within the scope of the Right to Work service. The Buyer is responsible for Supplier charges under the Call-Off Contract.

3. Framework Price

Catalogue Unit Price:

£5.00 per Right to Work check

This represents the maximum Framework Price for the Supplier-provided service elements.

4. What the Price Includes

The Framework Price includes:

- Access to the cloud-hosted SaaS platform supporting Right to Work checking workflows
- Digital and manual Right to Work checking routes in line with Home Office guidance
- Capture, validation, and secure storage of Right to Work evidence
- Identity and eligibility verification within the scope of the service
- Secure recording and presentation of Right to Work outcomes
- Ongoing platform maintenance, updates, and enhancements
- Standard support and service management
- Reporting, management information, and audit support

- Security, data protection, and compliance controls supporting UK GDPR and Home Office requirements

5. What the Price Does Not Include

- Immigration advice or legal determination of immigration status
- Employment decision-making on behalf of the Buyer
- Optional services offered under separate G-Cloud listings
- Bespoke development or non-standard services
- Services outside the scope of Lot 2b

6. Third-Party Services

The Right to Work service is provided as a fully managed Supplier service. Buyers are not required to contract separately with third-party verification providers, and no third-party verification fees are passed through to the Buyer.

7. Framework Pricing Statement

Pricing is provided as a maximum Framework Price, in line with the G-Cloud Framework. Buyers may agree lower prices at call-off where permitted by the Framework.

8. VAT

All prices are stated exclusive of VAT. VAT will be charged at the prevailing rate where applicable.

9. Call-Off and Invoicing

Charges applicable to a Call-Off Contract, including any agreed lower prices, are confirmed in the Call-Off Order Form. The G-Cloud Framework Agreement and Call-Off Contract take precedence in the event of any inconsistency.
