

Pricing Document

G-Cloud 15 – Lot 2b

Disclosures DBS – Umbrella Body Services

Option A: Full Buyer-Procured Service

1. Pricing Overview

This pricing applies to the Disclosures DBS – Umbrella Body Services offered under Lot 2b (Software as a Service) of the G-Cloud 15 Framework.

Under this option, the Buyer procures a full end-to-end DBS Umbrella Body service, including access to the Supplier's SaaS platform and associated managed services, in accordance with the published service description.

2. Pricing Model

The service is offered using a catalogue pricing model with a single unit price.

Pricing is provided on a per-application basis and is all-inclusive for Supplier-provided services within scope. The Buyer is responsible for Supplier charges under the Call-Off Contract.

3. Framework Price

Catalogue Unit Price:

£15.00 per DBS application

This represents the maximum Framework Price for the Supplier-provided service elements.

4. What the Price Includes

The Framework Price includes:

- Access to the cloud-hosted SaaS platform
- End-to-end managed DBS Umbrella Body services
- Application validation and quality assurance
- Electronic submission of DBS applications
- Management of DBS queries and exceptions
- Secure handling of DBS results
- Onboarding and service configuration
- Ongoing service management and support
- Maintenance, updates, and enhancements
- Security, data protection, and compliance controls
- Reporting, audit, and management information

5. What the Price Does Not Include

- Statutory DBS fees (pass-through)
- Optional services offered under separate G-Cloud listings
- Bespoke development or non-standard services
- Services procured independently by applicants

6. Statutory DBS Fees (Pass-Through)

Disclosure and Barring Service (DBS) statutory fees are not included in the Framework Price.

DBS fees are charged at the rates set by the Disclosure and Barring Service and invoiced at cost, without mark-up or discount. These fees may be zero-rated in certain circumstances and are subject to change.

7. Framework Pricing Statement

Pricing is provided as a maximum Framework Price, in line with the G-Cloud Framework. Buyers may agree lower prices at call-off where permitted by the Framework.

8. VAT

All prices are stated exclusive of VAT. VAT will be charged at the prevailing rate where applicable.

9. Call-Off and Invoicing

Charges applicable to a Call-Off Contract are confirmed in the Call-Off Order Form. The G-Cloud Framework Agreement and Call-Off Contract take precedence in the event of any inconsistency.
