

Stu3 know that finding the right team to deliver your projects is essential. That's why we offer free consultations to walk you through your needs, the scope of your goals, and your budget

Our consultation rates are £900 - £1,200 per day, plus VAT.

Travel expenses for on-site work are agreed according to standard practices.

Standard Terms and Conditions:

- ★ Day rates based on 9am-5pm being 7 hour working days (excluding lunch breaks etc)
- ★ Partial day rates charged at equivalent rate
- ★ Discounted rates available to higher education institutions, applicable per purchase order
- ★ Payment is due one month after invoice

About Stu3

Our team specialise in all areas of the student lifecycle underpinned by the student record system, from initial enquiry through to graduation, with experience gained from working on projects with over 80 HEIs.

"Selecting Stu3 was down to the positive experiences from working with them and the success of previous projects. Stu3 has a unique skill set which is understanding HE processes and the technical side. And the fact that Stu3 is competitively priced - all of that together is a winning formula."

Victoria Brown - Senior Project Manager (e-Exams), University of Oxford

Whether you're looking to deliver added functionality or planning a new implementation project, we can help you plan, develop, test and deliver your solution into your production environment.
