

Econocom - Cyber Advisory Service Pricing Document

Service Name: Cyber Advisory Service

Service Description: The Cyber Advisory Service provides expert-led cybersecurity guidance designed to help organisations understand their cyber maturity, align to recognised frameworks (NIST CSF, CIS v8, CE+, NCSC CAF), achieve regulatory readiness, and gain board-level clarity over risks and priorities. This service includes workshops, assessments, gap analysis, and a strategic roadmap based on the attached service specification.

Scope of Pricing:

- Cyber risk and maturity assessment
- Compliance mapping (NIS2, DORA, ISO 27001)
- Strategic improvement roadmap
- Executive reporting
- Remote and/or on-site workshops

Total Cost: £7,500 (fixed price, excluding VAT)

Inclusions:

- All assessments and analysis
- Delivery of final report and roadmap
- Scheduled review session with key stakeholders

Exclusions:

- Technical remediation or implementation
- Additional workshops or extended scope outside the standard package
- Travel expenses for on-site delivery (if applicable) - billed at cost with pre-approval

Validity: This pricing is valid for 90 days from the date of issue.
