

MediShout Pricing Document				
Core Pricing		Implementation Cost	Monthly Cost (Per Site)	Additional Licences
Monthly Cost (Per Customer Site)		£200.00	£750.00	£0.00
System Integration		Implementation Cost	Integration Maintenance (Per Instance)	Additional Licences
If an integration with third-party software is required, the integration costs are determined by the technical complexity and the provider involved. We offer various integration levels (see options below); the final scope and fixed pricing will be agreed upon prior to entering the call-off contract.				
Pricing includes: * Full integration with existing IT Systems and Helpdesks * Full integration with existing iPads and Tablets * Full Data-Analysis and Predictive Analytics
