

GUARDiAN Backup-as-a-Service, powered by Commvault Cloud Metallic AI

GUARDiAN Backup-as-a-Service solutions are built for the environment and business requirements of a customer. As such contact COOLSPIRiT to discuss your requirements, and a complete proposal will be created for your business.

GUARDiAN Backup-as-a-Service solutions are built out using the below monthly pricing model.

Service	Term	Price
GUARDiAN BaaS	Monthly	£15 per VM or £15 per Terabyte

Notes:

- Above is the most common foundation license types. A complete list of specific licenses is available upon request if, required (such as Office 365 and AD protection)
- Prices shown are based on an environment with a quantity of 250 VMs and above, if you require less, pricing is available on request.
- Prices exclude Professional Services and Project Management. This is quoted upon scoping of solution, and customer requirements.
- Term commitment pricing available upon request.
