Pricing Notes

Recurring licence, support, and hosting fees are reviewed annually and are invoiced annually in advance.

Prices exclude VAT.

Minimum contract term is 12 months for all software licences. Minimum contract term for In-Cab Tablet-as-a-Service is 48 months.

Database hosting costs are dependent on the volume of traffic and uploads/downloads etc. We will review the hosting cost on a regular basis and amend if necessary.

Directly incurred expenses for technical team site visits including travel, subsistence and accommodation are charged in addition to the costs above.

Please refer to our standard Terms and Conditions on the Digital Marketplace.

About Routeware

Routeware is a leading technology company for the waste and environmental services sector. In the UK, our software and services have been used by over 200 local authorities and most of the leading waste and resource management companies, helping save an estimated £100M+ for UK local government.
