Thrive Pricing Schedule

Thrive Social Value Management Module is available for the following costs:

One-off set up fee: *£2000 – 8000

*Pricing depends upon amount of bespoke set up required

Annual Subscription: £10,000 – 90,000**

** Pricing depends on complexity of system required, number of users, and type of service support required.

Note – Annual fee can optionally be paid in full by the procuring organisation, or split across a number of its suppliers.

Notes:

- Prices exc. VAT
- Pricing given in our GCLOUD listing (price for a unit) is for a single contracting authority purchasing a Thrive system for deployment to capture social value from their own supply chain. Multiple pricing units can be purchased to cover other use cases such as where a contracting authority is collecting social value data on behalf of multiple other organisations or contracting authorities.
