2,000 – 3,000 cases	£30,000	£57,000	£80,000	£100,000
3,000 – 4,000 cases	£36,000	£68,000	£96,000	£120,000
Implementation **	Up to 2 months	Up to 2 months	Up to 3 months	Up to 3 months

Clinical Safety / Information Governance Support	Daily Charge
Optional daily Consultative charge to support customers with CS issues such as DCB0129/0160 reviews and IG support to safely implement solutions.	£1,200.00

All prices exclude VAT at the prevailing rate.

* A Locality based service is a clinical service (speciality) with up to 15 requesting units who will send less than 4,000 cases per year.

** Implementation includes the allocation of a dedicated Project Manager who will manage implementation, service design, engagement and roll-out of the service(s). Further charges may be applied (at the corresponding day rate should the implementation period exceed this allowance).

The rack rate for additional scoping/design/product enhancement/on-site training is £1,200 per day (exc. VAT).
