G-Cloud Service Name

Liferay SaaS

Service Overview

Industry leading (Gartner) open source, Digital Experience Platform from Liferay. Used by organisations, worldwide, to transform service outcomes and engagement with citizens. As the UK's preeminent Liferay Service Partner, Placecube's accredited services enable you to accelerate your digital transformation program and optimise return on investment.

Please see Liferay SaaS service definition for more information.

Pricing

Liferay SaaS pricing is as follows. Any additional activities such as data on-boarding, off-boarding, or establishment of integration with existing directory services, systems or networks will be in line with resources required for that activity. The individual day rate for each resource type is included in the SFIA rate card.
