G-Cloud Service Name

Digital Place for Family Hubs.

Service Overview

Supports Councils in giving every child the best start in life. Our solution is your digital ‘front door’ providing a single point of entry to join-up universal services and children’s social care, ensuring all parents and carers can access support they need when they need it.

Pricing

Digital Place for Family Hubs pricing is as follows. Any additional activities such as data on-boarding, off-boarding, content migration, integrations or other programme support or consultancy activities will be in line with resources required for that activity. The individual day rate for each resource type is included in our SFIA rate card.
