

Pricing

eGOV Cloud 360 Virtual School Solution

Our pricing is **simple, transparent, and scalable**, ensuring excellent value while supporting authorities of all sizes.

Clear, Per-Child Pricing

The eGOV Cloud 360 Virtual School Solution is priced on a **per child, per week basis**, aligned to the academic year.

£1.50 per child per week

39 weeks per academic year

£58.50 per child per year

This model ensures you only pay for the children you support, with costs scaling fairly as cohort numbers change.
