The Evolution Exchange: NHS

Introducing our NHS Sector - leading content offering: 'Evolution Exchange'. It showcases digital and technology leaders across the NHS and offers a platform to discuss and share their views on some of the leading-edge work they have been delivering across their trusts, organisations and ICSs.

Trust specific - so you can share the specific opportunities, projects and challenges you are facing

Increased digital engagement - you receive the recording to share across your trust, enabling all staff to understand the digital goals

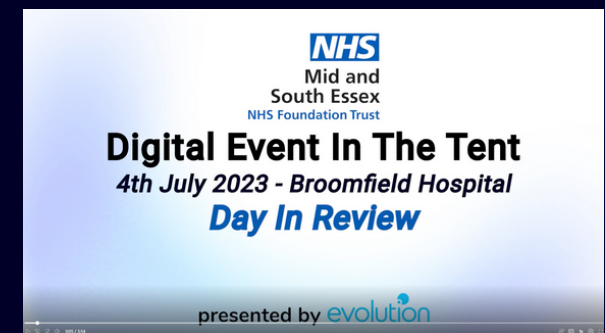

Sharing best practice - celebrate the good work happening within your organisation and inspire others

Rise above the competition - in a competitive landscape for digital professionals, our content-driven strategy empowers you to distinguish yourself from the competition.

Outcomes

Our Managed Service Solution

Introducing 'Outcomes', Evolution NHS's highly configurable managed service solution for digital projects.

It is the go-to solution for NHS organisations looking for cost effective individually scoped digital transformation solutions where Evolution take the responsibility for the successful delivery.

Evolution's expertise is with the Implementation and the Optimisation & Realisation of Benefits phases of digital projects.

Our milestone-based agreement aligns our support and services with your project requirements and provides a payment model which can only be executed upon successful completion of check points throughout a project.
