The Evolution Exchange: NHS

Introducing our NHS Sector - leading content offering: 'Evolution Exchange'. It showcases digital and technology leaders across the NHS and offers a platform to discuss and share their views on some of the leading-edge work they have been delivering across their trusts, organisations and ICSs.

Trust specific - so you can share the specific opportunities, projects and challenges you are facing

Increased digital engagement - you receive the recording to share across your trust, enabling all staff to understand the digital goals

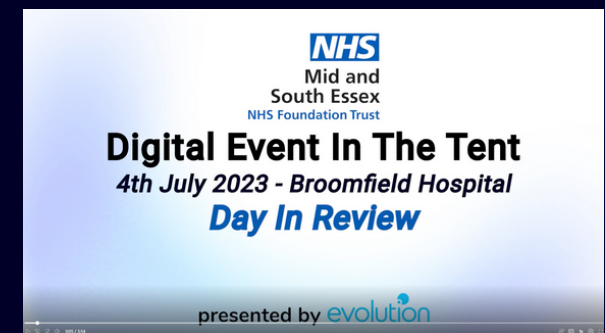

Sharing best practice - celebrate the good work happening within your organisation and inspire others

Rise above the competition - in a competitive landscape for digital professionals, our content-driven strategy empowers you to distinguish yourself from the competition.

Outcomes

Our Managed Service Solution

Introducing 'Outcomes', Evolution NHS's highly configurable managed service solution for digital projects.

It is the go-to solution for NHS organisations looking for cost effective individually scoped digital transformation solutions where Evolution take the responsibility for the successful delivery.

Evolution's expertise is with the Implementation and the Optimisation & Realisation of Benefits phases of digital projects.

Our milestone-based agreement aligns our support and services with your project requirements and provides a payment model which can only be executed upon successful completion of check points throughout a project.

Outcomes: Wrapped Service Process

Innovation Management

Innovation Management

An Outcomes Service Model

Evolution's innovation management service enables organisations to implement cloud-based digital innovations through our 'Outcomes' service model. We help identify, introduce, pilot and scale transformative and innovative solutions in an incremental, evidence-based manner, leveraging cloud technology and makes a positive impact on people, your workforce, financial value and environmental sustainability.

Innovation Management Features

Focused on cloud-based technology innovations to service transformation
Horizon scanning, innovation identification and market intelligence
Cloud architecture and infrastructure sizing, design & commissioning
Evidence-driven technology options appraisal
Pilot design and execution
Agile appraisal enabling continuation, scaling, pivots or closure of pilots
Commercialisation and scaling support for internally developed innovations
Innovation appraisal considers clinical, technical, operational, financial and environmental factors

Innovation Management Benefits

- ➡ Future-proof strategy for managing innovation and leveraging cloud technology
- ➡ Structured and evidence-driven process for identifying and testing innovations
- ➡ Empowers organisational innovation and accelerates cloud technology adoption
- ➡ Scale and extend transformative innovations safely in a cloud-based environment
- ➡ Access to a global, cross-sector view of innovations
- ➡ Develops thought leadership and strategic thinking skills
- ➡ Creates blueprint for future innovation programmes
- ➡ Builds organisation reputation and awareness with peers and sector
- ➡ Engages the workforce and service users

Evolution NHS: helping NHS organisations successfully deliver their digital transformation projects
