The Evolution Exchange: NHS

Introducing our NHS Sector - leading content offering: 'Evolution Exchange'. It showcases digital and technology leaders across the NHS and offers a platform to discuss and share their views on some of the leading-edge work they have been delivering across their trusts, organisations and ICSs.

Trust specific - so you can share the specific opportunities, projects and challenges you are facing

Increased digital engagement - you receive the recording to share across your trust, enabling all staff to understand the digital goals

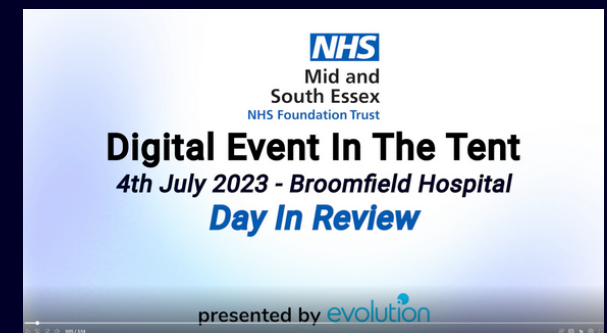

Sharing best practice - celebrate the good work happening within your organisation and inspire others

Rise above the competition - in a competitive landscape for digital professionals, our content-driven strategy empowers you to distinguish yourself from the competition.

Outcomes

Our Managed Service Solution

Introducing 'Outcomes', Evolution NHS's highly configurable managed service solution for digital projects.

It is the go-to solution for NHS organisations looking for cost effective individually scoped digital transformation solutions where Evolution take the responsibility for the successful delivery.

Evolution's expertise is with the Implementation and the Optimisation & Realisation of Benefits phases of digital projects.

Our milestone-based agreement aligns our support and services with your project requirements and provides a payment model which can only be executed upon successful completion of check points throughout a project.

Outcomes: Wrapped Service Process

Data Migration Services

Data Migration Services

An Outcomes Service Model

Evolution support organisations at any stage throughout their data migration and archiving journey. Our 'Outcomes' service model de-risks technical and complexed data migration workstreams and activities to ensure organisations are able to continue their transformation journey, with accurate and structured data which can unlock data analytics and insights.

Data Migration Services Features

Data migration strategy, planning and execution
Subject matter expertise for NHS and healthcare environments
Embeds automation to minimise user interventions
Security cleared professionals to support sensitive clinical and citizen data
Solution agnostic, supporting EPR, LIMS, RIS, PAS transformation programmes
Delivered with a full audit trail
Outcomes-led service model, designed to deliver tangible benefits & outcomes
Effective programme, project management and PMO support throughout the engagement

Data Migration Services Benefits

- ➡ Delivered to reduce interruption of clinical and operational processes
- ➡ Supports return on investment of data archiving solutions
- ➡ Delivered in parallel of wider transformation workstreams
- ➡ Fully compliant and secure data experts
- ➡ Improved productivity and workforce satisfaction
- ➡ Improves user experience and efficiencies through accurate and structured data
- ➡ Consolidates datasets from multiple data sources
- ➡ Engages with stakeholders across the organisation with Executive support
- ➡ Clear Outcomes and deliverables at outset ensuring a common goal

Evolution NHS: helping NHS organisations successfully deliver their digital transformation projects
