The Evolution Exchange: NHS

Introducing our NHS Sector - leading content offering: 'Evolution Exchange'. It showcases digital and technology leaders across the NHS and offers a platform to discuss and share their views on some of the leading-edge work they have been delivering across their trusts, organisations and ICSs.

Trust specific - so you can share the specific opportunities, projects and challenges you are facing

Increased digital engagement - you receive the recording to share across your trust, enabling all staff to understand the digital goals

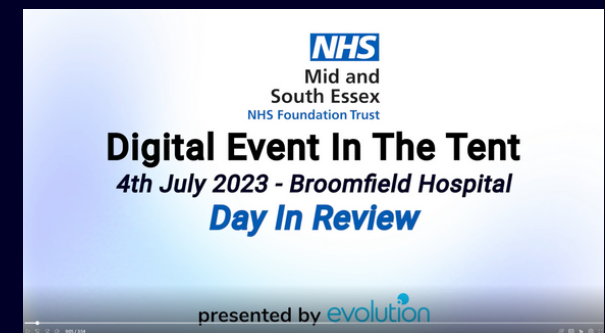

Sharing best practice - celebrate the good work happening within your organisation and inspire others

Rise above the competition - in a competitive landscape for digital professionals, our content-driven strategy empowers you to distinguish yourself from the competition.

Outcomes: Wrapped Service Process

Digital Maturity and Readiness

Digital Maturity and Readiness

An Outcomes Service Model

Evolution enables organisations to understand and benchmark their maturity, capacity, capability and readiness ahead of executing digital projects through our 'Outcomes' service model. We understand your current position, the intended future direction and target operating model and assess the organisation's capacity and readiness to achieve its goals.

Digital Maturity and Readiness Features

Flexible service scope; high-level review to in-depth category analysis
Executed for strategy development or as an assurance process
Robust methodology based on current/emerging best practice and standards
Robust risk assessment
A professional, sensitive approach to opportunities & challenges
Collaborative and iterative problem-solving approach
Delivery roadmaps provide actionable steps to improving digital maturity
Professional assurance reports designed to meet stakeholder audiences
Detailed technical assessments undertaken including architecture and sizing reviews
Holistic methodology covering strategic, tactical, technology, data and operational dimensions

Digital Maturity and Readiness Benefits

- ➡ Independent benchmarking of digital maturity and readiness
- ➡ Documented assessment identify areas of risk and opportunity
- ➡ Understand challenges in detail and co-develop solutions to overcome them.
- ➡ Assure organisational readiness to undertake migrations and delivery programmes
- ➡ Increase team and stakeholder understanding of digital opportunities and solutions
- ➡ Access to class-leading cloud infrastructure expertise from our technical specialists
- ➡ Independent assessment to support investment case development
- ➡ Identifies gaps and opportunities for change management; people, process, technology
- ➡ Develops thought leadership and strategic thinking skills
- ➡ Successful knowledge transfer to client's team
