The Evolution Exchange: NHS

Introducing our NHS Sector - leading content offering: 'Evolution Exchange'. It showcases digital and technology leaders across the NHS and offers a platform to discuss and share their views on some of the leading-edge work they have been delivering across their trusts, organisations and ICSs.

Trust specific - so you can share the specific opportunities, projects and challenges you are facing

Increased digital engagement - you receive the recording to share across your trust, enabling all staff to understand the digital goals

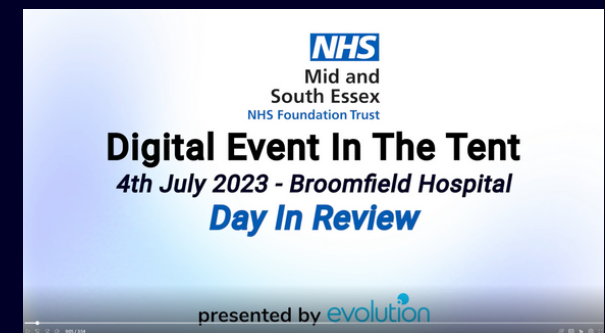

Sharing best practice - celebrate the good work happening within your organisation and inspire others

Rise above the competition - in a competitive landscape for digital professionals, our content-driven strategy empowers you to distinguish yourself from the competition.

Outcomes: Wrapped Service Process

Change Management and Training Services

Change Management and Training Services

An Outcomes Service Model

Evolution provides change management and training services, helping NHS and Public Sector organisations maximise the benefits of their cloud technology investments. Our change management approach provides users with a clear understanding of the value of cloud-related changes, the change on day-to-day activities, and tools, training, and processes to drive adoption.

Change Management and Training Services Features

Builds the case for change for an organisation and economic perspective
Aligned to the benefits set out in the business case
Manages a wide range of technology capabilities within the organisation
Embed and drive cultural change within the organisation
Identify and leverage 'change champions' within the organisation
Track adoption and engagement metrics
Development of detailed training and engagement strategies and plans
Outcomes-led service model, designed to deliver tangible benefits & outcomes
Structured skills and knowledge transfer at close down of all assignments
Effective programme, project management and PMO support throughout the engagement

Change Management and Training Services Benefits

- ➡ Return on technology investments through user adoption
- ➡ Builds productivity efficiencies
- ➡ Improves reporting accuracy and operational processes
- ➡ Reinforces cultural change and operational transformation
- ➡ Utilise subject matter experts and domain experts across a range of technologies
- ➡ Improved productivity and workforce satisfaction
- ➡ Technology agnostic, supports all EPR, Diagnostic and Clinical System solutions
- ➡ Engages with stakeholders across the organisation with Executive support
- ➡ Clear Outcomes and deliverables at outset ensuring a common goal

Evolution NHS: helping NHS organisations successfully deliver their digital transformation projects
