

Pricing - Training Courses

(correct as of 2026-01-26)

Custom on-site / on-line training

This is typically charged by the day, with daily rates ranging from £1495 per day up to £4995 per day (excluding VAT), depending on the topic and size of cohort.

Significant customisation and tailoring of course exercises / materials may incur additional costs. Instructor expense costs (travel, accommodation and reasonable subsistence) will be charged for on-site deliveries.

Public scheduled courses (online attendance)

Pricing per person typically ranges between £495 - £3495 (excluding VAT) per person, depending on the topic and duration of course.
