

Jumping Rivers is a:

- Full-Service Partner
- Reseller and distributor of RStudio software

We typically offer 10% of the RStudio licence cost as a discount against our services, consultancy, and training.

Example: RStudio Team Standard (~£25,000 licence) provides ~£2,500 credit towards services.

Licence Cost

Licence quotes are provided by Posit. On request Jumping Rivers will reach out to our Posit Partner and request a posit licence quote. Some examples of our GxP and Non-GxP licence costs can be found below
