Fees in the table above do not include VAT at the relevant rate.

For populations exceeding 3 million, or when multiple **beseen** modules are being procured pricing may be agreed on an ad hoc basis.

Optional add-ons may apply for waiting list validation and check-ins, psycho education, PIFU, PROMS, and bespoke referral pathways.

Implementation

Implementation fees: A one-off implementation fee of £20,000[^] is charged to cover set-up, customisation and onboarding. This is payable from the Effective Date of the contract and covers:

- Support with customisations
- Staff training sessions
- Communications collateral
- Establishment of local clinical safety and information governance documentation
- Build of performance dashboard

Fees do not include VAT at the relevant rate.

Integration

Integration fees: A one-off integration fee of between £10,000 - £20,000 per Electronic Patient Record (EPR). We may also need to pass on any ongoing third party costs for maintaining integrations. Bespoke pricing may apply for multiple integrations.

Fees quoted do not include VAT at the relevant rate.

Support

Support fees: Ongoing annual support fees will apply and are calculated at c.20% of the licence fees. Fees quoted do not include VAT at the relevant rate.
