G-Cloud 15 Lot 3

Cloud support services

- Additional training
- Integrations
- Configuration support
- Ongoing Hypercare

Bubble PPM cloud support services

Package costs

Bubble has a simple approach to its optional standalone cloud support services. Everything is included in one, fixed price package (or via multiples thereof).

You only pay more, if you require more of each package.

Fixed package cost

£5,000 per package below

Available optional packages

- 1) Additional user training package *(one-time fee)*
- 2) Integration setup package *(one-time fee)*
- 3) Integration maintenance package *(annual fee)*
- 4) Extra configuration package *(one-time fee)*
- 5) Ongoing Hypercare *(fee above charged quarterly)*

NOTE: Packages 2 and 3 are priced individually, but purchased as a set

Bubble®

Software

Bubble helps organisations to select the right projects, execute them reliably, and derive greater value from their projects and portfolios.

Bubble® is a leading provider of Project and Portfolio Management software. Founded in 1999, the company serves clients globally via Cambridge (HQ), London, Amsterdam and Melbourne.

Its cloud-based solutions help customers improve the planning, governance, and delivery of IT, Capital, New Product/Service Development, Engineering, Change Management and other initiatives.
