- Mobilityways has been awarded the **Legal Design Mark** in relation to this Agreement. For more information, please visit www.visuallegals.com/legaldesignmark.

- 5.8 You agree that we can use your name, trade marks and a description of the Services (which may include usage data and performance results relating to the Services) in any case study example described in our marketing materials, business proposals and/or on our website.

6 CONFIDENTIALITY AND DATA PROTECTION

- 6.1 Each party will keep any information (which is reasonably deemed to be confidential) that is disclosed to the other party (either orally, in writing or by demonstration) in strict confidence and without limit in time.
- 6.2 Such confidential information can be used by each party in relation to the Services and can be provided to employees, subcontractors, agents and advisors that reasonably need access to it, provided that they are subject to confidentiality restrictions materially equivalent to this clause.

 - 6.3.2 already known to the receiving party;
 - 6.3.3 disclosed from another non-confidential source;
 - 6.3.4 disclosed with the permission of the other party; or

- 7.2.2 each party's total aggregate liability to the other party under this Agreement will be limited to the total Charges payable by you to us for the relevant Services giving rise to such liability in the 12 month prior to the claim arising (to be calculated on a pro rata basis to equal 12 months of Charges where the relevant Contract duration is less than 12 months).

(9) FOR CONTEXT: We cap each party's liability at the value of the applicable fees to ensure that our respective risk and liability is proportionate to the agreement value. The limitations in this Agreement are necessary in order to allow us to provide the Services at its current prices. If you require greater protection then we may agree to modify the limitations and extend the guarantees in return for the payment of a higher price for the provision of the Services.

- 7.3 Nothing in this Agreement will exclude the liability of either party for: (i) death or personal injury arising from the other party's negligence; (ii) fraud; (iii) under an indemnity in this Agreement; or (iv) for any other liability that cannot lawfully be excluded or limited.

- 8.2 **Duration and Termination for Convenience – Contracts:** The parties acknowledge and agree that:
 - 8.2.1 each Contract will continue for the time period stated in the applicable Contract terms ("**Initial Term**"); and
 - 8.2.2 unless otherwise stated in a Contract, each Contract will automatically renew for successive 12 month periods (each a "**Renewal Period**") (and you will be liable to pay for the fees for the full renewal period) unless you provide us with least 30 days' prior written notice in advance, which shall take effect no earlier than the end of the Initial Term or the end of the then-current Renewal Period (or the end of the next Renewal Period where insufficient notice is provided).

(10) FOR CONTEXT: We have auto-renewal provisions to ensure that there is no unintended break in the Services. Please diarise renewal dates if you are considering ending the Services to ensure that appropriate notice of termination can be served.

- 8.3 *Termination for Cause:* This Agreement and any Contract can be terminated by either party immediately in writing if:
- 8.3.1 it is breached by the other party. However, if the breach can be remedied, then the defaulting party will have 10 Business Days to resolve the breach upon receiving a termination notice; or

- 11.7 *Assignment.* You must not transfer, assign or sub-contract this Agreement to anyone, as it is personal to you. We may at any time assign, transfer, charge, sub-contract or deal in any other manner with all or any of our rights or obligations under this Agreement.

In the event that a Contract for Services is in any country outside of the United Kingdom, English law will continue to apply, but the terms of this Agreement will be deemed to be modified to the minimum extent required to conform with any mandatory local laws (based on the primary location of the Customer) that cannot be disapplied by law.

SCHEDULE 1 – DATA PROCESSING TERMS

1. GENERAL OBLIGATIONS

- 1.1. The parties acknowledge that they may share and/or process Personal Data as part of the Services and each party agrees that it will comply with their respective obligations under the applicable Data Protection Laws.
- 1.2. The specific roles of each party regarding data protection laws will depend on the nature of the relevant Services. Usually, you will be the 'Data Controller' and we will be the 'Data Processor'.
- 1.3. Notwithstanding paragraph 1.2, the parties agree that to the extent that we process Personal Data for our own purposes, we will be an independent Data Controller of that Personal Data and we will be solely responsible for complying with the Data Protection Laws. The remainder of this Schedule solely applies when you are a Data Controller and we are acting as a Data Processor.

(12) FOR CONTEXT: Where we use the Personal Data outside the scope of your instructions (e.g. to provide journey planning services directly to members in a personal capacity (such as a car share to a beach at the weekend)), we will process the Member's Personal Data as an independent controller. Such Processing will be at our sole risk.

2. DATA CONTROLLER OBLIGATIONS

- 2.1. You warrant that you will only share, process and use Personal Data as part of the Services for legitimate reasons and you won't process more Personal Data than is required for fulfilling this purpose.
- 2.2. You are responsible for making sure that you have a valid legal basis for processing any Personal Data and that this extends to our use of any such Personal Data. Upon our request, you agree to provide us with details and supporting evidence for the legal basis for such processing.
- 2.3. You must notify us reasonably in advance before providing us with access to any 'Sensitive Personal Data' (i.e. racial or ethnic origin, political opinions, religious or philosophical beliefs, trade union membership, genetic data, biometric data, health information or data concerning a natural person's sex life or sexual orientation).
- 2.4. You must ensure that the Personal Data processing specification detailed in paragraph 8 is correct and accurate. This includes what Personal Data will be used, why it's being used and who it's about.
- 2.5. You are responsible for adequately addressing the use of cookies and implementing provisions to comply with Data Protection Laws in your terms and conditions and privacy policies. As we do not have any control over these, you will indemnify (reimburse on a pound for pound basis) Mobilityways and our Affiliates against all losses, costs and liabilities and all expenses, including reasonable legal or other professional expenses, suffered or incurred by Mobilityways and/or our Affiliates arising out of or in connection with any claims or fines in respect of:
 - 2.5.1. a breach of this paragraph 2;

 - 2.5.3. your failure to obtain appropriate legal grounds to export Personal Data outside of the United Kingdom and/or the European Economic Area by us under paragraph 6.

(13) FOR CONTEXT: We are not in control of how you capture the Personal Data, so you would need to reimburse us where it is unlawful for you to provide us with certain Personal Data for use in the Services. You will need to ensure that the Personal Data can be exported outside of the UK and/or EEA as we may have sub-processors based outside of the UK. We put in place data transfer agreements with each sub-processor where it is required by law.

- 2.6. Regardless of anything stated to the contrary elsewhere in this Agreement, any liability under paragraph 2.5 will not be limited or excluded. Paragraphs 2.5 and 2.6 will survive the termination of this Agreement.
- 2.7. Nothing in this Schedule 1 shall take away or reduce your direct responsibilities and liabilities under Data Protection Laws.

3. DATA PROCESSOR OBLIGATIONS

- 3.1. We acknowledge and agree that where we process Personal Data on your behalf, we will be a Data Processor and that we shall:
 - 3.1.1. keep all Personal Data that we receive, store and collect as part of the Services strictly confidential (subject to the confidentiality provisions in this Agreement);
 - 3.1.2. (subject to paragraph 1.3) not use the Personal Data for any purpose other than to perform our obligations under this Agreement, unless required otherwise by law (in which case we'll notify you of the relevant legal requirements, provided that there are not legal restrictions in providing notice);
 - 3.1.3. (subject to paragraph 1.3) ensure that all Personal Data that we receive, store and collect from you is processed in accordance with the Personal Data processing specification contained in paragraph 8.
