

Sage Intacct - Pricing

As an accredited, award-winning Sage Partner for over 30 years, we have a proven track record of working with Sage software systems.

A highly customisable solution, Sage Intacct is priced based on your particular requirements. Below are some of the starting prices, but the actual cost will depend on the type of licence, number of users and modules, speed and scope of implementation, and ongoing support.

Licences

Module	Functionality	Licence
Core licences	Business user (at least one required), Employee Users (in packs of 10, 50, 100)	From c.£6.5k for Essentials; c.£10k for Professional
Additional modules	A breadth of modules across finance, projects, contracts, inventory, reporting, CRM and development	Varies

Support

In 2019 Thinc were awarded UK Partner of the Year for Service Excellence by Sage. We pride ourselves on putting our customer first.

Every customer has their own unique requirements and therefore support costs vary based on the number of users and the modules that are in use.

Consultancy and implementation

As an independent provider we have fostered strong and long-lasting relationships with industry-leading partners, developing a fully accredited team with deep expertise. Our accredited consultants design, build and support your project implementation and business. They will work with you to understand your organisations requirements, tailoring a solution that meets your needs.
