

SAP Business One - Pricing

As an ERP provider for over 30 years, Thinc has a proven track record of implementing and supporting ERP solutions.

We take the time to understand your requirements to ensure we deliver a system that is tailored to your needs. Because of this, implementation costs vary depending on the scope of the project.

Licensing

Licence type	Per user, per month
SAP Business One Professional User	From £80.00

Support

At Thinc we support over 400 organisations on a daily basis. We pride ourselves on putting our customer first.

Every customer has their own unique requirements and therefore support costs vary based on the number of users and the modules that are in use.

Consultancy and implementation

As an independent provider we have fostered strong and long-lasting relationships with industry-leading partners, developing a fully accredited team with deep expertise. Our accredited consultants design, build and support your project implementation and business. They will work with you to understand your organisations requirements, tailoring a solution that meets your needs.
