

Pricing document for all Data Support Services

All ad hoc support services

These include:

- Data Maturity Assessment and Support
- Data Management and Data Governance Support
- Data Strategy Support
- Data Literacy Training and Support
- Data Architecture and Engineering Support
- Microsoft Purview Implementation and Support Services
- Microsoft Fabric Implementation and Support Services

Day rates per role

C+J grade	Maps to G Cloud grade	Maximum day rate (£)
Director	Chief Data Officer	1,800
Director	Chief / Head of <x>	1,550
Managing Consultant	Lead <x>	1,450
Principal Consultant	Principal <x>	1,350
Senior Consultant	Senior <x>	1,200
Consultant	<x>	1,050
n/a (not currently staffed)	Junior <x>	n/a
n/a (not currently staffed)	Trainee <x>	n/a
n/a (not currently staffed)	Associate <x>	n/a

All consultants are on-shore. Discounts are available for single orders over 50 days of effort (can be a mix of grades). Most work is conducted at the Senior and Principal grades.

Prices are based on a time-and-materials call off agreement. Tailored support offerings can be created based on the above, for example, engaging a data governance manager (Principal grade) on an ongoing basis modelled on 0.4 FTE = £2,700 per 2-day working week.

Specific fixed-price options
