

Live LearningCo Service Price Pack

G-Cloud15

2026

The High Cost of the "Status Quo"

Enterprise
Software ROI

70%

of Enterprise
Software ROI is lost
to "Check-the-Box"
training.

Buying seats is easy.

Buying **Adoption** is hard.

LiveLearningCo ensures your public sector
budget isn't wasted on unused licenses.

Step 1 – The AI Readiness Audit (Diagnostics)

Before we teach, we listen. This 30-minute diagnostic identifies friction points in your team's workflow.

We provide a roadmap of 'AHA' moments tailored to your department.

The Offer: £750 per Audit.

This fee is waived or credited for multi-year enterprise commitments.

The Foundation Phase (Implementation)

Investment & Philosophy

Cost: £3,750

(5 Days @ £750/day)

We don't just **'turn on'** software. We **architect** an **environment where** humans can learn.

What's Included: Building the Foundation

SSO Integration
(Zero-friction access).

WCAG 2.2 Accessibility Audit.

Custom Branding
(DKIM/SPF authorized).

Project Kick-off & Communication Strategy.

Key Deliverables: The Result

Project management.

Technical setup of the configuration.

Branding implementation.

Learning path configuration.
