

Anya Consultancy Services

Pricing Document for Cloud Support Services

Document Purpose

Anya Consultancy Services is an ISO9001 & ISO27001 certified Digital Supplier. Within its portfolio of services, it supplies SaaS (Software as a Service) and a variety of Cloud Support Services. This document provides the pricing for its Cloud Support Services.

Scope

The following cloud services are covered by this pricing document: -

- Web & Mobile Application Development
- Data Management Services
- Integration Implementation and support
- System Integration Services
- ICT Managed Services
- Generative AI and Agentic AI Implementation
- Cloud Transformation / Data Migration
- ERP Implementation and Support
- Microsoft Dynamics 365 Implementation and Support
- Oracle Fusion ERP Implementation and Support
- Salesforce ERP Implementation and Support
- Unit 4 ERP Implementation and Support

Approach to Pricing

Every client has their own requirements for these cloud services, and Anya Consultancy Services will provide bespoke service delivery working within the client budget.

The ACS approach to providing a quote involves understanding the client requirements and planning an AGILE delivery approach and resource model that matches the client's needs. ACS will determine the skills required, number of people days and, using the rate card, will determine the project cost.

Anya Consultancy Services

Rate Card
