1 Terms and Conditions

1.1 CCS General Terms

Simplifai Systems will comply with the G-Cloud Framework Terms and Conditions, with the inclusion of the following amendments (highlighted in italics):

General Terms

- Clause 10 Intellectual Property Rights. *Solutions are configured for clients, no software is specifically created for individual clients.*
- Clause 33 The Buyer will provide a copy of its current Environmental Policy, which the Supplier will comply with. *The Buyer must provide the environmental policy in advance of the Order Form being signed.*

1.2 Order Form

Where appropriate, and agreed by both parties, we propose to use the Order Form with Customers, with the inclusion of the following amendments (highlighted in italics):

Framework Schedule 6, Order Form

- Additional Insurances: If requested by the Buyer, the Supplier will obtain additional insurance policies, or extend existing policies bought under the Framework Agreement. *The Buyer must request any required changes to insurance policy on the order form, prior to commencement of the contract.*
