

Eptura Visitor - Pricing

Pricing Model

The licence model for Eptura Visitor is SaaS, whereby there is an annual subscription, payable annually in advance. The SaaS annual subscription includes the software licence, maintenance, support and the cloud Service. The cloud service included is for a single environment (production) for unlimited users. There is a minimum initial subscription period of three years.

SaaS Subscription Rates

The subscription rate is based on the number of locations deployed in the system, and the tier of the Visitor software solution required. Eptura offers two tiers of their Visitor management product offering, Advanced and Power. Features are as follows:

Eptura Visitor - Advanced

- On-site check-in and customised badges.
- Build custom visitor workflows.
- Schedule visits directly through your calendar.
- Communicate with visitors in the event of an emergency.
- Configure visitor eSignature for NDAs and other documents prior to arrival.
- Track and analyse visitor traffic and trends.

Eptura Visitor - Power

- All the features of Advanced plus
- Integrate with popular access control systems.
- Create tailored visitor and approval workflows by type.
- Issue personalised QR codes, RFID access cards, and guest Wi-Fi credentials to each visitor.
- Create your own watchlist and integrate with third-party system.
- Leverage the Eptura Visitor API and configure webhooks.

The table below shows indicative pricing for a range of location number in the system and are based on a 3 year contract. Standard contract lengths are available in one to five year terms. The annual SaaS fee includes technical user support from JLL.
